Summary

Currently serving as Designer & Video Editor at OpportuNet® and Founder at KumoCoders, I bring a unique blend of design and development expertise to create engaging visual and digital experiences. My professional journey is supported by practical GitHub certifications and a solid foundation in Figma and web development. Pursuing secondary education at Lycée Qualifiant Chahid Idriss Lahrizi, expected to graduate in June 2027, I am dedicated to honing my skills in design and development. With a focus on collaboration and continuous learning, I am committed to contributing to innovative projects that bridge creativity and technology.
